September 8: God's Work. Our Hands.

As we've become more engaged with finding new ways to support Pillars and the families that live there, this year our God's Work Our Hands project will center on that support too. After worship today, all are invited to stay and help plant mums that will be delivered to the families at Pillars. From playing with the kids at Pillars, to donating socks and underwear to the shelter, to planting mums, there are all sorts of simple things we can do to connect with the community at Pillars. This project is one more way to strengthen that connection.

September 15: Celebration Potluck

To celebrate Katie's internship, we will hold a potluck after worship. Katie has asked us to "bring something your grandma used to make for you or that you grew up eating." THANK YOU to Katie for her sharing her gifts, her joy, her enthusiasm and her wisdom with us.

September 22: *Baptismal Blessings*

It is exciting to look forward to a baptism on September 22. Hazel VandenHeuvel will be baptized that morning. Hazel is the little sister to Lewis, Will, Evan & JD; her parents are Sarah & Andrew VandenHeuvel. Help us welcome Hazel into God's family with open arms!

Monday Bible Study

Our first fall Monday Evening Bible Study will be held at Grace Lutheran Church on Monday, Sept 9 at 6:30 PM. We will be discussing Kristin Schell's book, "The Turquoise Table". The Turquoise Table community has caught on here in the United States and in 7 countries. It is a community that invites it's neighbors to connect with each other. Here are a few quotes from the book, "Our culture is hungry for table time" "It is in the shelter of each other that people live." Want to hear some Turquoise Table stories of how God has moved people from being backyard people to being active front yard people? Hmm...I am picturing a Turquoise Table next to our new downtown offices???? Please come and join us on Sept 9th. See Mary Robertson if you have questions.

Counting Duo Needed

Two people are needed to count and deposit the offering after the 3rd Sunday of the month. If you are interested or need more information, talk to Sarah Bultman (734-9895). The process is easy to learn!

Prayer Wall

Recently a Prayer Wall was introduced during worship. That wall will be placed either in the rear of our worship space or the entry periodically for you to interact with. Each ribbon color reflects an area of prayer you are lifting up from world concerns to family to healing and more. There is a key on the Prayer Wall itself to help guide you. Please use the wall as often as you like.

Sharing God's love with all people as we grow in faith together.
